

SPEECH AND DRAMA STUDIOS SA
INFORMATION FOR EXTRA COURSES 2020 / 2021

These classes are designed to extend the skills base of current students or those who have taken at least one year of Speech and Drama. They are generally arranged when there is enough interest. Please contact Lois on 0419 844 798 or lois.brimblecombe@gmail.com with the details on the enrolment form on the next page.

TERM 4 ONLY

INTRODUCTORY SPEECH AND DRAMA CLASSES: New students join current students in the last 5 lessons of Term 4.

BEGINNERS DEBATING: Students are given a basic outline of the mechanics of debating with opportunities to practise in an informal setting in preparation for possible future school debating. Year 5 students and upwards are preferred and lessons are offered in the last 5 lessons of Term 4.

TERMS 1&2 OR 3&4

PUBLIC SPEAKING - specialised

Two terms covering impromptu speaking, formal speaking (introducing guest speakers, thankyou speeches, presenting and accepting awards or gifts), communicating in the everyday, telephone protocol and job and/or school scholarship type interviews.

FULL YEAR PREFERRED:

SPEECH AND DRAMA FOR STUDENTS WITH SPECIAL NEEDS: These lessons are ongoing and may be taken as solo or group lessons, preferably begun at the beginning of each year.

ENGLISH IMPROVEMENT FOR ADULTS AND CHILDREN: These solo or group classes are a lot of fun involving both conversational skills and a study of phonetics to improve pronunciation and understanding. Advanced classes are also available for those who have already studied phonetics.

RELAXATION AND STRESS MANAGEMENT: Managing stress is important in so many areas of life. Lois has spent many years working in this area and offers one module a term which she has developed to relax and centre students in preparation for performance and for life's challenges in general. They can be taken either solo or in groups of similar age.

MATHS TUTORING: Kevin is available to tutor basic Maths at any level up to Year 9 on an ongoing basis.

FILM MAKING: The teachers are Sarah-Jo Bramfit and Jock Plastow who have a particular passion in film making. Jock is studying film at Flinders University and both have experience in this area. 45 minute sessions on Tuesdays only at Walkerville Primary School Theatre in 2020. In 2021, there will be an extra class for Advanced students.
